Health Insurance Marketplace Frequently Asked Questions

What is the Health Care Reform/Affordable Care Act?

- A law signed and passed to provide individuals and families with affordable health insurance to expand access, control costs, and to improve the health care delivery system.

What is the Health Insurance Marketplace?

- An online portal where you can shop for affordable health insurance that fits your needs and your budget.
- The marketplace is for both individuals and families.

What Does Marketplace Insurance Cover?

- All health insurance plans available in the marketplace will offer the same set of “essential health benefits”
 - Emergency services
 - Hospitalization
 - Maternity and Newborn care
 - Mental health and substance abuse/use disorder
 - Prescription drugs, etc.

Will I Have a Choice in Coverage?

- Yes. After completing the online application, you will select a plan that best fits your needs.

What is the Difference between Marketplace Health Plans and Other Private Plans?

- Only the marketplace plans offer lower costs based on income.

How Much Will Marketplace Insurance Cost?

- Prices of Marketplace plans have not been set yet. Prices will be available October 1, 2013, when open enrollment starts and you can begin shopping.

Will I qualify for lower out of pocket costs?

- When you get coverage through the Marketplace, you may be able to get lower costs on deductibles, copayments, and coinsurance. This will depend on your income.

Will there be Verification of my Income?

- Yes, marketplace will use data from tax filing and social security to verify household information provided on the application.

What if I have Medicare?

- Medicare isn't part of the Health Insurance Marketplace, so you don't need to make any changes. If you have Medicare, you are considered covered.
