Governor Terry McAuliffe To Visit Greater Prince William Community Health Center

Governor To Announce \$9.3 Million Grant To Virginians Help Access Health Coverage

(10/15/2014 – Manassas, Virginia) – Governor Terry McAuliffe will visit the Greater Prince William Community Health Center, a 501c3 non-profit, Federally Qualified Health Center, to announce that Virginia is one of four states to have been awarded a \$9.3 million federal grant to help Virginians enroll in the Health Insurance Marketplace starting on November 15, 2014.

The federal grant, awarded by the Centers for Medicare and Medicaid Services (CMS), enables Virginia to enroll state residents, launch an improved website next month at www.coverva.org with links to health care options and educational resources. The state also will begin a major media campaign this winter to increase awareness about the importance and availability of health insurance. The grant is expected to be awarded to organizations around the state and will be administered by the Virginia Department of Medical Assistance Services.

“Our Centers in Woodbridge and Manassas work daily to prevent and manage chronic diseases like diabetes, breast cancer, hypertension, heart disease, dental disease, and depression/anxiety,” said Frank J. Principi, Executive Director of the Center. “Our Health Center also provides free enrollment services in the Health Insurance Marketplace plans and Medicaid that enable area residents to obtain affordable access to the health care needs for their families.” “The Governor’s announcement will help more residents realize the benefits of the Affordable Care Act.”

The Greater Prince William Community Health Center is a non-profit, 501(c)3, providing affordable access to integrated and coordinated primary, dental, behavioral, and OB-GYN health services for the whole family under one roof. Ridgewood Health Center is located at 4379 Ridgewood Center Drive, Woodbridge, and Evergreen Health Center at 9705 Liberia Avenue, Manassas. Medicare, Medicaid, and private insurances gladly welcome. Appointments are available at 703.680.7950 and Info@GPWHealthCenter.org.
